

## TRS Pinch Hitter Bat Adapters

**Product Codes:** PINCHITTER, PINCHITTER HD, PINCHITTER FLEX

- 3 Models: **Pinch Hitter**, **Pinch Hitter Heavy Duty**, **Pinch Hitter Flex**
- The **Pinch Hitter** was designed for "Little League" age kids or persons with smaller hand proportions, who wish to swing a bat using the function and power of both arms.
- The **Pinch Hitter Heavy Duty** is designed for adults and larger, older kids who need more performance.
- The **Pinch Hitter Flex** is designed for adults and those who play a lot of baseball and

or softball and want the convenience of a replaceable Flexible Coupling and or who need a longer adapter.

- The **Pinch Hitters** are constructed of high performance, strong, flexible synthetic rubber and they snap on and off aluminum bat handles for safety. They all need to be "over-gripped" with the second hand for security when swinging a bat. They can be used either right or left handed but perform best on the leading hand and arm.
- The **Pinch Hitters** not only transfer body power and energy but can store and release energy. This feature helps improve and control bat swing, improve swing speed and increase ball hitting distances.
- The **Pinch Hitters** will screw into standard prosthetic wrists or disconnect style wrist adapters.

**Application:**

- PINCH HITTER:** Kids and Little Leaguers
- PINCH HITTER HD:** Adults, young adults and older children
- PINCH HITTER FLEX:** Adults planning on a lot of aggressive use.

**"L" Code:** L6704

<b>Weight:</b>	4 oz. (114 gm)	5 oz. (142 gm)	8 oz. (227 gm)
<b>Color:</b>	All models Matte Black		
<b>Material:</b>	All models TRS proprietary flexible polymer rubber		

## Grand Slam TD

**Product Code:** GRAND SLAM TD  
**Features:**

- **Grand Slam TDs** provide for powerful, smooth, two-handed swings. Releases bat easily. Baseball and softball.
- Flexible polyurethane body securely captures bat handles
- Force on and pry off design for standard one-inch diameter bat handles
- "Over-grip" with sound hand is required
- Flexible, replaceable coupling provides for powerful swings
- Replicates the bio-mechanics needed for safe, controlled bat swinging

- ½ inch diameter threaded stud fits any USA made wrist units

**Applications:**

- Age:** Teenagers and adults.
- Limb Length:** Primarily designed for unilateral, trans-radial hand absence. Certain applications for long trans-humeral.
- Wrist Units:** Any wrist which accepts a standard ½ in. diameter threaded fitting.

**"L" Code:** L6704

### SPECIFICATIONS
