

SPECIFICATIONS

Length w/o Strap:	2.5 in. (6.4 cm)
Strap Length:	12 in. (30.5 cm)
Width:	1.5 in. (3.8 cm)
Height:	1.75 in. (4.4 cm)
Weight:	4.5 oz. (128 g)
Color:	Satin Black

Flexible Thing

Product Code: FLEXTHING

Features:

- Simple, reliable and waterproof
- Aircraft aluminum and stainless steel machined components
- Strong Flexible, "grippy", strap rated at 1000 pounds tension
- Swivel buckle for securing strap in activities where spontaneous release is not required for safety
- Friction adjustable pivoting wrist
- Replaceable, modifiable strap
- Excellent range of motion

Application:

- Cross-over terminal device for multiple applications/ages
- Water sports like waterskiing and similar activities using a hand held tow rope and handle
- Broad range of long handle tool applications, such as shovels and rakes
- Heavy duty capacity for carrying tool boxes or equipment with handles
- Adults and teenagers. Trans-radial and trans-humeral applications with appropriate sports prosthesis

L-Code: L6704, Add-on L6620

Multi-D TD

(Multi-Diameter | Multi Duty)

Features:

- Strong, quick release, one inch wide, ratchet and buckle system.
- Adjustable diameters from 1-1/8 inches to 1-3/4 inches (plus) wide
- High strength, flexible and resilient body, replicates wrist and forearm biomechanics
- Excellent "rocker" action allows for wide angles of control.
- Kayaking, Rowing, Long handle Tool Control, Shovels, Rakes, Axes, Hatchets, String Trimmers.
- Equipped with standard 1/2 in. diameter threaded prosthetic mounting connector.
- The **MULTI-D PIVOT** is an advanced, additional version—a TRUE cross-over TD. The PIVOT provides ~32 extra degrees of friction adjustable freedom in wrist motion, improving performance and comfort in both vocational and avocational activities.
